Dear Prime Minister

*AR 14/9
ka.*

Thank you for your reply of 31st August.

I understand that the updated Shackleton Report is to be released on Monday. I shall be in Spain for the week and therefore hopefully able to read it at leisure and in philosophical mood.

As you suggested, I have been in touch with Cranley Onslow and we have arranged to meet on September 27th.

*Yours Sincerely
Fred Nicolson*
